

# The Colorado Mineral Society's Silent Auction

## Saturday - May 2, 2015

CMS is having its annual silent auction of minerals, fossils, faceted stones, lapidary pieces, books, jewelry, and florescent minerals. All reasonably priced!

**A special invitation is extended to non-CMS members to participate in this auction as sellers and buyers.**

A unique aspect of this auction is the ability for visitors to view and bid on fluorescent minerals in a special ultraviolet powered Fluorescent Room!

There are door prizes every half hour, and a special verbal auction at 1:00pm. of museum quality specimens donated by special dealers. There is abundant parking, refreshments, and easy handicap access without any stairs. As always, the club will have a few auction tables reserved for only children to bid on.

To register for your Buyer and Seller numbers/letters call Leslie Osgood at 303-986-4488 or get them at the CMS general meetings or at the auction.

Any questions about the auction should be directed to Howie Houk by phone at 303-237-7072 or by email at [jhhouk@msn.com](mailto:jhhouk@msn.com).
