

Colorado Mineral Society Mineral Minutes

Volume 85, Issue 3

April/May 2021

President's Message

by Amber Brenzikofer

Happy Spring Everyone! I hope the snow is behind us. I know I am itching to get out into the field and do some digging for rocks and minerals and I am sure I am not alone. CMS is gearing up for a full range of field trips this season, including numerous junior-only field trips. A tentative list of field trips is shown on Page 3.

The next CMS virtual meeting will be **Friday, May 7th at 7:00pm on Zoom** with a presentation on the upcoming 2021 field trip season and instructions on how to sign up for field trips. The Zoom meeting link is located on Page 2. Field trips will be posted on our website on Friday at: www.fieldtrips.coloradomineralsociety.org. Similar to last year, we will open sign-up for the field trips 30 days in advance of the trip. This allows us to continue to add trips through the summer as trips fill up and claim owners coordinate their schedules with the other clubs. This is a reminder that you can view the fieldtrip list online without a membership, but you have to become a CMS member or renew your 2021 membership to get additional information on the trip, be able to sign up, and attend the field trips. When signing up for family members, all family members, including kids, who will be attending the trip need to be signed up on our attendee lists. For those members who sent in paper checks to renew their 2021 memberships, the data is being uploaded Thursday night, May 6th so you will get an automated email indicating your accounts is current. See more information on log-in procedures on Page 3.

We are having a CMS rock, mineral, and fossil sale on **Saturday, May 22nd** in place of our annual May auction. The sale will be located at the Crowne Plaza Denver, near Denver International Airport, in the Atrium during the Colorado Spring Mineral and Fossil Show (see flyer on Page 5). Thanks to CMS member Sandra Gonzales and RMGM Promotions for allowing us the use of the atrium for the sale. The sale will support the club's mission of education and promoting the rock, mineral, and fossil hobby. In addition, you can attend the free Spring Show and support other rock, mineral, gem, and fossil dealers in a safe environment.

The Original Denver Gem and Mineral Show is a go for 2021 at the Colorado Convention Center from September 16 to 19, 2021. See the announcement on Page 7. This will be a scaled-back event this year, but we look forward to co-locating with the Hardrock Summit's debut year in Denver. I have taken over as Show Chair and we are in the initial planning stages for the show, which will continue to evolve as COVID restrictions are lifted. We will still need club volunteers for the show and I will be sending out information on available positions with an online signup in the near future. I wish everyone a safe and healthy year!

Zoom Meeting Information

Join Zoom Meeting:

<https://us02web.zoom.us/j/89502419768?pwd=VThYcmRCNGF4dHdJdkdWdThHQ2x2dz09>

Meeting ID: 895 0241 9768 Passcode: 436003

Dial in by phone: 1-253-215-8782 US Meeting ID: 895 0241 9768 Passcode: 436003

CMS 2021 Online Membership Payment and Field Trip Sign-up

CMS renewing members and new members now have the option of paying their membership fees online. In addition, the field trip sign-up will occur online and requires that you be an active member. The link to the online membership and field trip sign-up is <https://fieldtrips.coloradomineralsociety.org/>.

For new CMS members or members who did not create an online account in 2020, you will need to go to the website and create an account and then become a member to pay your membership dues. Once logged in, you can sign up for field trips when they are available. Membership cards will be mailed to you.

CMS Membership Dues:

Family: \$20 per year	Single: \$18 per year
Senior 65+ (single or family): \$15 per year	Junior (<12 years old): \$15 per year

CMS memberships run from January 1st to December 31st.

Due to the new database management to determine under 18- and over 65-year-old membership categories, adults will need to supply their birthdays when they sign up as new members or are renewing their membership this year. Also, due to RMFMS insurance and liability purposes, we need to know your children's birthdays, so please provide this information when you create or renew your membership. Your birthdays will not be distributed and protected. If you ordered a name badge, they will be mailed to you.

Field Trip Sign-up Process

A list of field trips that have been scheduled occurs on the activation page, so you do not need to be a member to see the list of field trips. Once logged into site, you can click on trips that are offered and see a description and logistics. There is a button to select to sign up for the field trip. There will also be a field trip description that you can download as a pdf to print out. For family memberships, you will need to select the people and children that will be attending the trip. You can select the Profile link to look at the full list of field trips you have signed up for.

Some trips will have waitlists, which the program will let you know if you are on a wait list. If attendees cancel their reservation for a trip, the next person on the waitlist will be automatically notified by email that they have been registered for the trip. It is very important that if you cannot attend the trip, to cancel online as soon as possible so others on the waitlist can get notified of the trip.

Membership Payments by Paper Copy

Of course, you still have the option of becoming a CMS member and renewing your membership by paper and mailing it to CMS. A membership form with a new or renewal checkbox is located on the CMS website at www.coloradomineralsociety.org. Send a check made out to "Colorado Mineral Society" or "CMS" to P.O. Box 280755, Lakewood, Colorado 80228-0755. Please do not send cash through the mail. Membership cards will be mailed to you. Once CMS has received your membership payment, you will be sent an activation email to go online and activate your account, which will allow you to sign up for field trips. **For those members who have renewed with a paper check prior to May 1, 2021, you should be receiving an automated message in the evening of May 6th.** If you sent in your checks after May 1, it may take several weeks to get it uploaded into system and then you will receive an automated message.

Confirmed and Tentative 2021 CMS Field Trips List

Date	Trip	Location	Attendee Limit	Field Trip Leader
May 15-16, 2021	Book Cliffs - Barite	Grand Junction, CO	None	Beth Randolph
May 23, 2021	North Table Mountain – Zeolites - <i>Tentative</i>	Golden, CO	30	Aaron Cross
June 12, 2021	Two Creeks – Barite	Northeastern Colorado	None	Aaron Cross
June 19, 2021	Hartsel - Barite Juniors Only	Hartsel, CO	35	Aaron Cross
June 20, 2021	Hartsel - Barite	Hartsel, CO	35	Beth Randolph
June 26, 2021	Calumet Mine – Epidote - <i>Tentative</i>	Salida, CO	30	Aaron Cross
July 9, 2021	Smoky Hawk - Amazonite	Lake George, CO	30	Amber Brenzikofer
July 10, 2021	Tarryall Topaz Claim (Fee)	Lake George, CO	30	Amber Brenzikofer
July 17, 2021	Tarryall Topaz Claim (Fee) - <i>Tentative</i>	Lake George, CO	30	Wendy Carley
July 17, 2021	Arroya Gulch – Red Garnite	Fremont County, CO	15	Cindy Hatfield
July 18, 2021	Arroya Gulch – Red Garnite Juniors Only	Fremont County, CO	15	Cindy Hatfield
July 24, 2021	Butterfield Ranch – Juniors Only - <i>Tentative</i>	Colorado	30	Aaron Cross/Wendy Carley
July 31-Aug 1	Mt Antero (Fee) - Aquamarine	Colorado	40	Gary Rowe
August 7, 2021	Smoky Hawk - <i>Tentative</i>	Lake George, CO	30	Amber Brenzikofer

August 21-22	Last Chance Mine (Fee) - <i>Tentative</i>	Creede, CO	30 each day	Gary Rowe & Amber Brenzikofer
August 27-29, 2021	Fish Fossils (Fee) and Blue Forest	Kemmerer and Farson, WY	None	Jon Papes, Melanie Dies, Beth Randolph
Sept 24-26, 2021	17 th Annual Geode Fest and Rock Show (Fee)	Keokuk, Iowa	None	Paul & Cindy Hatfield
October 2-3, 2021	Thomas Range – Topaz, Red Beryl, Garnite, Dugway Geodes - <i>Tentative</i>	Delta, Utah	None	Robert Boehm, Paul & Cindy Hatfield
October 23, 2021	Baculite Mesa	Pueblo, CO	50	Amber Brenzikofer

Note: The field trips will be posted on the CMS fieldtrip website throughout the summer and automated email notifications will go out when new trips are added. This list will be updated once the tentative dates have been confirmed.

Yellow highlighted trips are for junior rockhounds and their families. We are also looking at other junior trips and joint trips with other rock clubs, so stay tuned.

WELCOME!!

New CMS Members

First Listing

Patricia Amonette
Jeanelle Amonette
Skye Bowen
George Daggett
Robert Fraatz
Bob Gilligan and Robin Waters
Grady Grudzinski and Cara Brant
Chris and Kimberly Hunt & family
James Kuhn and Caitlyn O'Connor
Robert and Barbara Landgraf
Kyle Myhr and Janice Stiglich
Blair and Henry Printz
Gary and Sue Satterthwaite
Kat Schaffer
Jeane Stavers
Seana Strle
Rebekah Wilson

Second Listing

Gilbert and Miroslava Apodace & family
Noah Atencio and Diane Lopez-Atencio & family
Tom and Merry Bartek
Keri & Maria Kolb & family
Kathryn McCarroll
Alison Moski
Kristi Mueller
Heather Neuwald and Nathan Scott & family
Frederick and Marybeth Tolen
Marlene Zenker and Ilene Gottesfeld & family

**Per CMS Bylaws, comments concerning new, first listing members should be formally submitted to the President.*

REMINDER - REMAINING 2021 CMS MEETINGS

CMS does not hold general meetings during the summer because we are busy with field trips. The next general meeting will be **October 1st** and it has yet to be determined if it will be an in-person meeting or virtual meeting depending on COVID restrictions and venue availability. Mark Jacobson has been busy lining up great speakers this fall and winter, so stay tuned for more information.

Rocky Mountain Federation News

The Rocky Mountain Federation of Mineralogical Societies (RMFMS) is made up of 78 clubs representing 13 Western states. CMS is a member of RMFMS. The Rocky Mountain Federation News is published monthly and is located at www.rmfmts.org.

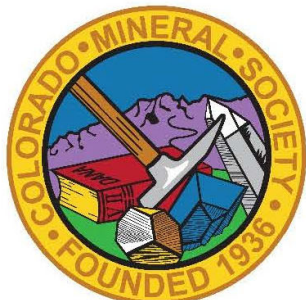

A.F.M.S Newsletter

The American Federation of Mineralogical Societies (A.F.M.S) serves seven regional federations, including RMFMS. The A.F.M.S Newsletter is published monthly and is located at: <http://www.amfed.org/news/default.htm>.

Colorado Mineral Society

The Original Denver Gem and Mineral Show

The 2021 Show Is A Go!

The Greater Denver Area Gem & Mineral Council is pleased to announce that it will be hosting the 2021 Denver Gem & Mineral Show in conjunction with the Hardrock Summit, to be held at the Colorado Convention Center September 16-19, 2021.

The closing of the Denver Mart necessitated that we find a new venue. Numerous ideas were floated and organizers from a number of shows generously offered us space. The Council and Show Committee decided that the Hardrock Summit was the best fit, allowing the Original Denver Gem & Mineral Show to retain its identity and include some of the defining aspects of our show and organization.

The new high end Evolution show (Sept 16-19) as well AGTA Denver (Sept 18-21) will also fall under the Hardrock Summit umbrella, providing marketing potential that the Denver Gem & Mineral Show cannot offer as a stand-alone show.

The Denver Gem & Mineral Show will occupy the space on the upper, entry level of the Convention Center. The 2021 show will include club tables, speakers, special exhibits, and 40 to 50 dealers. Everything will be scaled back as a result of space limitations; we are nonetheless grateful for the opportunity to be part of the debut year of the Hardrock Summit, which is positioned to be Denver's premier gem, mineral, and fossil show.

We invite you to visit hardrocksummit.com and denvershow.org for more details about this exciting new event, our organization, and plans for the future.

Colorado Mineral Society Board Meeting Minutes

Tuesday, March 16, 2021

Call to Order @ 7:03 pm – Amber Brenzikofer

Attendees: Loni Cole, Mark Jacobson, Jonathan Papes, Debbie Kalscheur, Eva Siemonsma, Amber Brenzikofer, Ben Geller

Open Positions

- Technology Leader
- Annual Auction Chair
- Volunteer Coordinator – new position

Items for Board Approval/Special Topics

- Approval of February 16, 2021 Meeting Minutes
- Denver Gem and Mineral Show update – Show has been moved to the Colorado Convention Center. Amber has taken over as Show Chairperson. More information will be forthcoming.
 - Fluorite will continue to be the show theme with display cases
- CMS storage unit organization of donations for rock sale/raffle/give-away update
 - Will need people to go over and help with pricing, etc...
- May 1st Rock Sale – Lakewood park shelter or other location
 - Spoke about the location we want to have the sale, several possible locations in Lakewood
 - Rock sale date picked to be May 1st, with May 8th being a backup date
 - Spoke about making it a picnic, possibly providing food (with all Covid restrictions)
- CMS Founders Day Picnic – Saturday, September 25th selected

Officer/Committee Reports

- Presentations – Mark Jacobson
 - April 2 – Graves Mt, Rutile locality, GA - Jose Santamaria
 - May 7 – Field Trip presentation – Gary, Jon, Amber
 - October 1 – topic TBD (Montreal Mine, Clay Center or Maybee, Michigan) Christopher Stefano, the Mineralogical Record; we will find out topic in September
 - Have two possible speakers for November
 - Talked about honorariums for speakers and what that would look like
- Treasury – Loni
 - Spoke about net worth and financials and comparisons between years (years with sales vs the Covid year)
- Raffle – Eva
 - Spoke about possible raffles at Rock Sale and at Founder's Day Picnic
- Newsletter – deadline 3/13/2020
- Technology committee – Amber reported
 - John T., Amber, and Debbie met with Joey, we now have ability to create our own reports
 - Our site will likely be moved into the Amazon Cloud
 - Will be adding educational classes capability to the membership website
- Field Trip Committee Update – Amber reported
 - Gary setting up a field trip committee meeting

Next CMS Board Meeting: April 20th, Zoom Conference Call

Call to Adjourn: 8:35pm

Colorado Mineral Society Board Meeting Minutes

Tuesday, April 20, 2021

Call to Order @ 7:03 pm – Amber Brenzikofer

Attendees: Loni Cole, Mark Jacobson, Jonathan Papes, Amber Brenzikofer, Ben Geller, Gary Rowe

Open Positions

- Technology Leader
- Annual Auction Chair
- Volunteer Coordinator – new position

Items for Board Approval/Special Topics

- Approval of March 16 Meeting Minutes
- Denver Gem and Mineral Show update – Show has been moved to the Colorado Convention Center. Amber has taken over as Show Chairperson. More information will be forthcoming.
 - Fluorite will continue to be the show theme with display cases
- CMS storage unit organization of donations for rock sale/raffle/give-away update
 - Pricing for the rock sale has been mostly completed
- May 22nd Rock Sale – Sandra Gonzales offered the atrium at the Crowne Plaza Denver during the Spring Show.

Officer/Committee Reports

- Presentations – Mark Jacobson
 - May 7 – Field Trip presentation – Gary, Jon, Amber
 - October 1 – topic TBD (Montreal Mine, Clay Center or Maybee, Michigan) Christopher Stefano, the Mineralogical Record; we will find out topic in September
 - Have two possible speakers for November
- Treasury – Loni
 - Spoke about net worth and financials
- Raffle – Eva
 - Provided by email summary of raffle funds that needed to be spent by March 31, 2021. Amber put in an order for half flats and folding boxes to create education kits, but order on hold until owners of Rock Boxes come back from Tucson.
- Newsletter – still working on April/May newsletter
- Technology committee – Amber reported that the membership database has been updated and is being consolidated online to transition away from the Access database
- Field Trip Committee Update – Gary and Jon reported
 - Gary set up a field trip committee meeting last week to set tentative dates for field trips and identify field trip leaders, committee is busily setting up dates

Next CMS Board Meeting: June 15th, Zoom Conference Call

Call to Adjourn: 8:15pm

Representatives (Board Members)

Denver Council Trustee: Debbie Kalscheur
Denver Show Rep: Amber Brenzikofer

COLORADO MINERAL SOCIETY (CMS) was founded in 1936 by a group of distinguished individuals within the mineralogical field. The organization was incorporated as a non-profit, educational organization in 1948. The Society is affiliated with the Rocky Mountain Federation of Mineralogical Societies and the American Federation of Mineralogical Societies, a founding member of each group.

PURPOSE: To promote the study of minerals and other geologic materials, to encourage mineral collecting as a hobby and to conduct public meetings, lectures, and field trips, and to engage in all activities which relate to said purposes of the organization.

MEETINGS: General membership meetings usually start at 7:30 PM on the first Friday of each month, October through May. During COVID, all meetings are held virtually online.

BOARD MEETINGS: The board members meet once a month to complete the executive business and affairs of the Society. Meetings will start at 7:00 PM usually the third Tuesday of each month.

MEMBERSHIP: Open to all persons who agree to abide by Society rules and rules of the Federations. Annual fees are: \$20.00 for a Family living at the same household, \$18.00 for a Single Membership, \$15.00 for a Senior Membership (single or family over 65), and \$15.00 for junior members under the age of 18 who are not included in a family. Name badges are available for a one-time fee of \$7.50.

ANNUAL EVENTS: Yearly activities include a silent auction of minerals, fossils, gems, jewelry, equipment and other items related to our interests; participation as a member of the Denver Greater Gem and Mineral Council and the original Denver Gem and Mineral Show; and the Founder's Day celebration.

FIELD TRIPS: The Society sponsors several field trips from Spring through Fall for the purpose of collecting minerals, crystals, and fossils. These trips are one-day, two-day, and occasionally several-day adventures. A field trip guide is published each year in May.

NEWSLETTER GUIDELINES: CMS has a proud history of promoting the education and pure enjoyment of the mineralogical world. At the very heart of its existence are the many volunteers and contributors who spend their time and efforts in direct support of the club's mission. The CMS official newsletter **MINERAL MINUTES** is published monthly during the active meeting season (October through May) and a summer edition, and is the primary way the club's activities and mission are communicated to its members and prospective members. On that basis, the Board of Directors would like to offer the following content guidelines for CMS newsletter contributions:

- Formal announcements concerning club business and/or membership
- Information around mineral-related education opportunities or fundraising activities
- Stories or history that concentrate on the edifying aspects of mineral collection and education
- Sharing of personal mineral-related experience from field trips or other related adventures serving an educational purpose
- Announcements of volunteer/leadership opportunities for the club or club representation
- Worthy news events or discoveries related to mineralogy or geology that align to club's core interests
- Appropriate announcements regarding mineral shows, one-time mineral related events, mineral auctions, sale of private collections and/or equipment, etc.
- Information around relevant donations and/or gifts made available to the club or club members

Please note that the editor may correct spelling, syntax, or content to conserve space and is also entitled to bring contributions in compliance with newsletter guidelines.

Any material herein may be reproduced by any club if proper credit is given. Material from many sources is used in the Mineral Minutes. While it is believed that these items are accurate, neither the editor nor CMS assumes any liability for their use. Advertiser's claims are their own, and their products are not warranted by CMS.

Deadline for publication is the 20th of the month prior to publication. All correspondence to Mineral Minutes or questions should be sent to Jimmy Betsill, Editor, P.O. Box 280755, Lakewood, Colorado 80228-0755; phone: 720.480.5234; or by email to:
